

## Calendar of Events

---

President@mssf.org

June 13, 2026

**Stumped no More: Tree Identification for Mushroom Hunters**

12:30 PM - 03:30 PM PST

Stephanie Wright,

HelpDesk@mssf.org

*WORKSHOP IS SOLD OUT*

*MSSF Tree Identification Workshop*

*taught by Dr. Cat Adams, and Dr. Leah Taylor-Kearney*

June 21, 2026

**[SOMA] SOMA Mushroom Art Fair!**

10:00 AM - 04:00 PM PST

*Join us for the first annual*

*Sonoma County Mycological Association Mushroom Art Fair!*

*[More information at the SOMA link above]*

June 21, 2026  
- June 26, 2026

**[SF State Field Campus] Natural History of the Sierra Nevada  
Tahoe National Forest**

Multi-day Event

*THIS IS NOT AN MSSF PROGRAM.*

*SF STATE SIERRA NEVADA FIELD CAMPUS HAS A SUMMER PROGRAM  
SEE THE LINK BELOW FOR THEIR FULL SCHEDULE AND INFORMATION*

*Natural History of the Sierra Nevada*

*Instructor: J.R. Blair - Past President MSSF*

*"Join us on a series of outings to explore the magnificent lakes, wildflower-filled forests, and lush meadows of the Lakes Basin and Sierra Valley, where we will encounter and discuss a wide variety of fungi, plants, and animals. We will explore how precipitation, temperature, and other organisms may affect montane ecosystems. We also will talk about how human practices might be affecting these ecosystems."*

June 28, 2026  
- July 3, 2026

**[SF State Field Campus] Beginning Birding**

**Tahoe National Forest**

Multi-day Event

*THIS IS NOT AN MSSF PROGRAM.*

*SF STATE SIERRA NEVADA FIELD CAMPUS HAS A SUMMER PROGRAM  
SEE THE LINK BELOW FOR THEIR FULL SCHEDULE AND INFORMATION*

*Beginning Birding*

*Instructor: JR Blair - Past President MSSF*

*"This workshop is designed for the beginning birder. We will start the week with an introduction of the potential tools available for the beginner, including optics, field guides, online resources, and other aspects of getting the most out of the gratifying hobby of observing birds. The main focus of the workshop will be an overview of the various categories of birds, but we also will emphasize how to identify certain common birds found in the Sierra Nevada."*

July 12, 2026  
- July 17, 2026

**[SF State Field Campus] Night Photography**

**Tahoe National Forest**

Multi-day Event

*THIS IS NOT AN MSSF PROGRAM.*

*SF STATE SIERRA NEVADA FIELD CAMPUS HAS A SUMMER PROGRAM*

*SEE THE LINK BELOW FOR THEIR FULL SCHEDULE AND INFORMATION*

*Night Photography*

*Instructors: Brennan Wenck-Reilly [Past President MSSF] & Scott Finsthwait*

*"The High Sierras are a fantastic place for you to learn to shoot night photography. The area around the field campus will provide us with a tremendous amount of opportunity to hone your skills. Whether you are just beginning in photography or if you feel very competent with your photography skills this course will offer you the opportunity to collaborate with others to learn new skills."*

July 18, 2026

**MSSF 2026 Summer Picnic Potluck**

**Golden Gate Park**

12:00 PM - 04:00 PM PST

Elizabeth Simonson,

Volunteer@mssf.org

**MSSF MEMBER ONLY SUMMER PICNIC POTLUCK!!**

August 12, 2026  
- August 16, 2026

**[Telluride] Telluride Mushroom Festival**  
Multi-day Festival

*Celebrating All Things Fungi*

*Since 1981, the Telluride Mushroom Festival has brought together leading mycologists, artists, foragers and enthusiasts to explore all things fungi.*

*We focus on science, culture, and community—covering topics like psychedelic research, cultivation, decriminalization, and identification. More than just a festival, it is an annual reunion for fungi folks to gather and celebrate fungi and their impact on our world.*

*We hope to see you in the San Juans this August!*

August 16, 2026  
- August 21, 2026

**[SF State Field Campus] Natural History of the Sierra Nevada  
Tahoe National Forest**

Multi-day Event

*THIS IS NOT AN MSSF PROGRAM.*

*SF STATE SIERRA NEVADA FIELD CAMPUS HAS A SUMMER PROGRAM  
SEE THE LINKS BELOW FOR THEIR FULL SCHEDULE AND INFORMATION*

*Natural History of the Sierra Nevada*

*Instructor: J.R. Blair - Past President MSSF*

*"Join us on a series of outings to explore the magnificent lakes, wildflower-filled forests, and lush meadows of the Lakes Basin and Sierra Valley, where we will encounter and discuss a wide variety of fungi, plants, and animals. We will explore how precipitation, temperature, and other organisms may affect montane ecosystems. We also will talk about how human practices might be affecting these ecosystems."*

August 27, 2026  
- August 30, 2026

**[NAMA] NAMA Yoop! 2026 Annual Foray**

**Northern Michigan University**

Multi-day Event

*Join hundreds of your fellow mycophiles amid thick forests during the prime foraging season by day, then return to the modern Northern Center for presentations, meals, socials and the evening programming we all enjoy together.*

August 29, 2026  
- September 6, 2026

**[Fungus Federation of Santa Cruz] Alaska Foray**

Multi-day Event

*Explore the Kenai Peninsula*

*You must be a member of the Fungus Federation of Santa Cruz.*

September 14, 2026

**MSSF Culinary Dinner [MSSF members and guests only]**

05:30 PM - 09:30 PM PST

Paul Lufkin or Maria Pham,

Culinary@mssf.org

*Culinary Group September Dinner Planning Pot Luck*

*MSSF Members will be sent an email with details closer to the event.*

*The MSSF Culinary Group's September 2026 event will be a pot-luck dinner shared among Culinary Group members and their guests. Please bring a dish to share.*

*Planning Potluck*

*Bring a dish to share*

*Bring your own beverage*

*You also need to bring your own table-covering, glasses, place settings, napkins, etc.*

*We cannot rinse or wash dishes in the kitchen - bring an extra-large zip lock to bus your used dishes home.*

*The Group will conduct a short business meeting (bring your ideas and energy!) at 6pm Potluck follows immediately.*

*Everyone who attends will be asked to help break down and clean up at the end of the evening...as we will need to be out of the building by 9:30 pm.*

*Questions? Call call Maria 415-305-3316 or Paul 415-515-1593.*

*Looking forward to seeing you there!*

September 15, 2026

**MSSF General Meeting - Program TBD**

<https://us02web.zoom.us/j/89184389640?pwd=N2x0V25JNkZaRHZoQ3VBVGJyYURuZz09>

**Zoom Meeting ID: 891 8438 9640**

**[Zoom Phone] 669-900-6833,**

06:30 PM - 09:00 PM PST

*On the third Tuesday of each month from September thru May, the Mycological Society of San Francisco hosts a General Meeting open to Members and the public. The Society has maintained our schedule of events using electronic media, Zoom, to meet and share our mission to educate about the kingdom of Fungi.*

*In-person meeting at the Randall Museum*

*Doors open at 6:30pm*

*Hospitality hour and ID of mushroom specimens in the Buckley Room.*

*At 7:20pm everyone moves to the Theater. General meeting and Zoom session start at 7:30pm.*

*First Announcements are made followed by the featured presentation of the evening and attendee questions.*

*We wind up at 8:30pm, people who are able-bodied help stack chairs; the room needs to be cleared by 9:00.*

*General meetings are open to the public.*

*Talk Title: TBD*

September 15, 2026

**[Fungus Federation of Santa Cruz] - Liv Fragiacomio : Organic Strawberries - Bio Alternatives**

**Santa Cruz Live Oak Grange**

06:00 PM - 09:00 PM PST

*This is not an mssf event - see the links to Fungus Federation of Santa Cruz information*

*The general public is welcome to join us at the social and for the talks, and to bring in any mushrooms that you've found!*

October 3, 2026

**[Coastal Shores and Spores Mycological Society] Quinault Rainforest Mushroom Festival!**

**Lake Quinault School**

All day event

*This is not an MSSF event*

*Follow the links below for information*

*Nestled in one of the most spectacular temperate rainforests in the world, the Quinault Rainforest Mushroom Festival is a free, family-friendly celebration of mushrooms, nature, and community. Whether you're a seasoned mycophile, a curious beginner, or just here because mushrooms are cool (they are), there's something for everyone to enjoy.*

October 17, 2026

**[SOMA] Salt Point Foray**

**Salt Point State Park**

All-day Foray

*THIS IS NOT AN MSSF FORAY*

*- IT IS SPONSORED BY THE SONOMA COUNTY MYCOLOGICAL SOCIETY*

*Please follow the links below for more information.*

*SOMA fungi forays are field trips to collect wild mushrooms and other fungi with knowledgeable fungal folks.*

*These outings provide a great opportunity to get out in the woods in a friendly atmosphere to learn about identifying and collecting fungi. These are always open to the public, and we welcome all ages, experience levels and interests.*

*Salt Point State Park defines the participant limits for group forays.*

*When registration opens, all tickets are reserved with a day or two.*

October 18, 2026

**[Snohomish County Mycological Society] Wild Mushroom Show**

**Forest Park Floral Hall**

**802 E. Mukilteo Blvd**

**Everett, WA**

All day event

*THIS IS NOT AN MSSF EVENT*

*Please use the links below, for more information.*

*Come join us at Forest Park, Floral Hall for a fun-filled day exploring the fascinating world of mushrooms. Whether you're a seasoned forager or just curious about these unique fungi, this event is perfect for all levels of mushroom enthusiasts.*

*Discover a variety of wild mushrooms on display, learn about their different species, and even take a mushroom identification class (11am or 1pm).*

*Don't miss out on the opportunity to chat with experts and fellow mushroom lovers to expand your knowledge. Bring your mushrooms to be ID'ed. Explore the mushroom dye display. Learn about how to get mushroom spores and how those help ID the mushrooms. Mushroom items will be for sale including books, stickers, fresh mushrooms, mushroom coffee and more. Get some raffle tickets for fun prizes. There is even a kids craft table. Fun for the whole family.*

October 18, 2026

**[Oregon Mycological Society] Fall Mushroom Show**

**World Forestry Center**

All day event

*THIS IS NOT AN MSSF EVENT*

*Please use the links below, for more information.*

*Oregon Mycological Society*

*In a good season, the OMS Fall Mushroom Show features specimens of over 200 species of mushrooms. These mushrooms are carefully picked, identified and beautifully arranged for an amazed public at the World Forestry Center.*

*Held usually on the third Sunday of October, this colorful event also showcases mushroom cookery and preservation, toxic mushroom information, books for sale, demonstrations of mushroom dyeing, and much more. OMS members start putting the show together at 5:30 a.m., and open the doors to the public at noon.*

*The date is tentative, please check the organization's information.*

October 20, 2026

**MSSF General Meeting - Program TBD**

**<https://us02web.zoom.us/j/89184389640?pwd=N2x0V25JNkZaRHZoQ3VBVGJyYURuZz09>**

**Zoom Meeting ID: 891 8438 9640**

**[Zoom Phone] 669-900-6833,**

**06:30 PM - 09:00 PM PST**

*On the third Tuesday of each month from September thru May, the Mycological Society of San Francisco hosts a General Meeting open to Members and the public. The Society has maintained our schedule of events using electronic media, Zoom, to meet and share our mission to educate about the kingdom of Fungi.*

*In-person meeting at the Randall Museum*

*Doors open at 6:30pm*

*Hospitality hour and ID of mushroom specimens in the Buckley Room.*

*We wind up at 8:30pm, people who are able-bodied help stack chairs; the room needs to be cleared by 9:00.*

*General meetings are open to the public.*

*Talk Title: TBD*

October 20, 2026

**[Fungus Federation of Santa Cruz] - Program TBD**

**Santa Cruz Live Oak Grange**

**06:00 PM - 09:00 PM PST**

*This is not an mssf event - see the links to Fungus Federation of Santa Cruz information  
The general public is welcome to join us at the social and for the talks, and to bring in any mushrooms that you've found!*

October 24, 2026  
- October 25, 2026

**[Puget Sound Mycological Society] Wild Mushroom Show**  
**Shoreline Community College**  
**16101 Greenwood Avenue North**  
**Shoreline, WA**  
Multi-day Festival  
*THIS IS NOT AN MSSF EVENT*  
*The Puget Sound Mycological Society's Wild Mushroom Show*  
*starts the fall event season on the West Coast*

*Our Wild Mushroom Show is one of the largest and most complete exhibits of mushrooms in the United States. Up to 400 varieties of wild mushrooms are displayed, identified, and classified as edible, poisonous, or valueless as food.*

*Visitors are welcome to bring in mushrooms from your garden or walks for our experts to identify. Be sure to collect the entire mushroom, including underground parts.*

*Exhibits include something for all of the senses: a feel-and-smell display can be experienced after the slide show lecture and finished off by a delicious tasting of mushrooms.*

October 25, 2026

**[Cascade Mycological Society] Mount Pisgah Arboretum Mushroom Festival**  
All day event  
*THIS IS NOT AN MSSF EVENT*

*Please use the links below, for more information.*

*Every year, you can expect to experience things like,*

*A huge mushroom exhibit where you can learn about hundreds of local species*  
*Educational talks from local experts*  
*Edible and poisonous mushrooms display, including an expert identification table*  
*Live music*  
*Guided nature walks by local naturalists*  
*Mushroom vendors*  
*Local foods, arts, and crafts*  
*Kids crafts and activities*  
*Cider pressing, scarecrow contest, and hay rides!*

November 8, 2026

**[SOMA] Westminster Woods Foray**

**Westminster Woods**

All-day Foray

*THIS IS NOT AN MSSF FORAY*

*- IT IS SPONSORED BY THE SONOMA COUNTY MYCOLOGICAL SOCIETY*

*Please follow the links below for more information.*

*SOMA fungi forays are field trips to collect wild mushrooms and other fungi with knowledgeable fungal folks.*

*Forays sell out fast!*

*When registration opens, all tickets are reserved with a day or two.*

November 13, 2026

- November 15, 2026

**MSSF Mendocino Woodlands Camp Foray 2026**

multi-day event

David Gardella,

mendodirector@mssf.org

**MSSF MENDOCINO WOODLANDS CAMP FORAY**

*An Annual MSSF Members only Foray*

*November 13-15, 2026*

*\*Registration for camp begins at 9:00AM on Saturday October 3rd 2026\**

*Deep in the Mendocino woods, MSSF members, fellow mushroom enthusiasts, friends and family, gather once again for our annual north coast fungal rite of autumn. This weekend-long spectacular mycological event includes guided forays, presentations, creative workshops, delicious mushroom themed meals and appetizers, and of course, plenty of mushrooms!*

*More info to come in September 2026, the official start of the new MSSF Season! Check the monthly Mycena News newsletter for upcoming details.*

*We're looking forward to seeing you back in those fabulous fungi filled Mendocino forests this November....*

November 14, 2026  
- November 15, 2026

**[Mendocino Coast Mushroom Club] Fungi Festival and Cultural Convergence**  
**Caspar Community Center**  
Multi-day Festival  
*THIS IS NOT AN MSSF EVENT*

*Please use the links below, for more information.*

*The Mendocino Coast Mushroom Club is planning another joyous weekend celebrating all things fungi.*

*We're lining up presenters, workshop hosts, activity leaders and foray guides to help you learn more about the fungal kingdom and explore the diverse ways that humans use and appreciate fungi.*

*Of course, we'll also have fabulous food and drinks and a wide array for mushroom-themed wares for purchase from talented artisans and vendors.*

November 17, 2026

May 29, 2027

- May 30, 2027

**[Community Festival] McCloud Mushroom, Wine, Music & Artisan Festival**

Multi-day Festival

**THIS IS NOT AN MSSF EVENT**

*Please use the links below, for more information.*

*Held every Memorial Day weekend, the McCloud Mushroom, Music & Wine Festival celebrates the proliferation of wild mushroom hunting that occurs every spring in and around McCloud. With over 100 artisan, craft, and food vendors, McCloud draws more than 14,000 people for this two-day event. Come join us for live music, wine tasting, mushroom workshops, fungi foraging tours, and much more at the foot of majestic Mount Shasta!*

*If conditions are right, MSSF sometimes schedules a multi-day camping foray the same weekend at a campground about 25 miles away.*
